T.N.T COMPANY LIMITED

T&T Co., Ltd was originally established on 17-Apr-1989 functioning primarily in the tourism industry. In 1993, T&T was one of the first companies to obtain business license for doing inbound & outbound services granted by Vietnam National Administration of Tourism.

In 1994, T&T had a major expansion with the establishment of T&T Aviation entity, specializing in ground handlings for charter flights and private jets, fully authorized by Civil Aviation Administration of Vietnam. T&T Aviation also is General Sales Agent (GSA) for Austrian Airlines, Gulf Air and Royal Air Cambodge with the mission of setting up national passenger sales network for them in Vietnam. Our company is proud of being one among Top Ten Agents for Vietnam Airlines as well as international airlines for many years.

Followed the success of the two scopes in Travel and Aviation, the year of 1997 marked the opening of a new business named T&T Security which specializes in design and supply of specialized utility systems - security and fire fighting systems. From the beginning, T&T Security started up with 2 significant projects are Alarm Monitoring Centre and Fire Fighting System for biggest Thermal Power Plan Phu My I. Till now, a thousand projects named with T&T Security in the country.

Currently, three subsidiaries of T&T Co., Ltd. which are **T&T Travel**, **T&T Aviation** and **T&T Security** are on their ways of development with many high achievements as well as well-recognized by our wide range of customers. Knowing that customer satisfaction has always been the most decisive factor in the success of T&T, our company is striving to maintain our professional competency and commitment as a way to express our deep gratitude for our precious customers' trusts.

History

Typical Projects

With more than 20 years of operation, T&T Security has implemented hundreds of projects from large projects such as airports and seaports to industrial parks, factories, banks, offices, buildings, private houses... We constantly update equipment, new technology and regularly train employees to meet all the increasing requirements of customers.

We sincerely thank customers for choosing the service of T&T Security. We also hope in the future to continue to receive the attention and trust of customers!

TYPICAL PROJECTS

Phu My 1 Thermal Power Plant

- Project: **Phu My 1 Thermal Power Plant**
- Scope of work: design, supply and install Fire Fighting Systems
 - Addressable Fire Alarm System Edwards (Mỹ)
 - Fire Pump System Reddy-Bufferloes (Mỹ)
 - CO2 fire suppression, sprinkler, water-spray, foam, linear heat detector cable (Kidde Fire Protection - Anh)
- All areas includes: Administration Building; Control Building; Oil Pump House; Distillate Oil Tanks; Gas-Turbine, Steam-Turbine, Diesel-Turbine Generators; Water-Cooling Pump House; Transformer Stations and Switchyard 110KV and 220KV; Hydrogen Storage House; Diesel Tank; Fire Pump House, Cable Tunnel and Cable Tray; Fire Water Piping Ring
- Thời gian thực hiện: 2001, 2018 và 2020

MM Mega Market

- Project: **Wholesales Center MM Mega Market**
- Scope of work: design, supply and install fire alarm and security systems for 18 Wholesales Centers
 - Addressable Fire Alarm System Edwards, Detnov
 - Intrusion Alarm, Access Control and Integrated Security Systems Alliance, Security Commander, TecomC4 (GE Security, Interlogix)
 - CCTV camera system Pelco, GE Security, HIK Vision
- Execution time: 2004 - 2018

Jabil Vietnam Factory

- Project: **Jabil Vietnam Factory – Hi-tech Park District 9**
- Scope of work: design, supply and install camera system and access control system including
 - CCTV Camera System (Pelco): 120 fixed IP camera and PTZ Speed Dome for office, workshop, warehouse, canteen, perimeter; Digital Sentry NVR
 - Access Control System: 80 card readers, Integrated Security Management Platform Picture Perfect (Lenel), card printing, time attendant
- Execution time: 2012

Sala City - Dai Quang Minh

- Project: **Sala City - Dai Quang Minh**
- Scope of work: design, supply and install the following systems
 - Door and Elevator Access Control System Lenel Onguard for Sarica, Sadora, Sarina, IIA Buildings
 - Automatic Barrier (AC Magnetic) for IIA Building
 - CCTV Camera System (Interlogix) for Saritown - Shophouse
 - CCTV camera Syste (Pelco) for Chu Lai Building
 - Access Control System (EntryPass) for Sales Gallery, Complex of Myamar
- Execution time: 2017 - 2019

Alumin Nhan Co Plant

- Project: **Alumin Nhan Co**
- Scope of work: design, supply and install Fire suppression systems (Kidde Fire System)
 - FM200 system for Bauxite crushing area, Silicon reduction area, Red mud settling and washing area, Fine seed filtration area, Alkaline solution area, Hydrant filtration area, Main building, Central control building, Coal gasification plant, Management house's Auxiliary Area
 - CO2 System for Power generation plant, Indoor power distribution area, Central control building
- Execution time: 2016

Binh Duong Provice - Administrative Center

- Project: **Binh Duong Province – Administrative Center**
- Scope of work: Representative of the Investor to participate in the management of Mechanical and Electrical projects including the following items:
 - Low voltage electrical system, air conditioning, ventilation, BMS, conference interpreting system
 - Water supply and drainage system, fire protection, art fountaind
 - Mechanical and electrical engineering infrastructure
- Execution time: 2006 - 2014

1500-bed General Hospital and Central Technical Block – Binh Duong Province

- Project: **1500-bed General Hospital and Central Technical Block** belonging to the detailed planning area 1/500 of the 1500-bed General Hospital and the Department of Health Care of provincial officials)
- Scope of works:
 - Overall management of the MEP System of the 1500-bed Hospital
 - Director of Execution Board of the Central Technical Block Project including: construction, technical infrastructure, MEP system (Central refrigeration system 4000 tons, Medium voltage, Generator 14MW, MSB 4000A, Central medical gas, Water supply and Fire Pump Station, low voltage, medical equipment, infrastructure connection between the Central Technical Block and the Hospital)
- Execution time: 2015 - 2021

NovaWorld Ho Tram – The Tropicana

- Project: **NovaWorld Ho Tram – The Tropicana**
- Scope of works: supply labor and materials, accessories for installation of MEP engineering infrastructure for Zone 3 (subdivisions 3.1 and 3.2) including the following items:
 - Medium and low voltage, generator, earthing, lighting, communications, fire alarm and fire fighting system
 - Water supply and drainage system, water pump and fire pump station
- Execution time: 2021 - 2022

Smarthome System

- **Smarthome System for the following villas and shophouse:**
 - Lavida Villa – Vung Tau City
 - Shophouse 200Bis NTMK, District 3, HCM City
 - Sarica Apartment, Sala City, HCM City

RE: DISTRIBUTOR AUTHORIZATION

To Whom It May Concern:

Thank you very much for your great support to Kidde Fire Systems so far.

Please be informed that the following is an Authorized Distributor of Kidde Fire Systems;

TNT Security Co., Ltd
48A3 Tran Dinh Xu Street, Co Giang Ward, District 1
Ho Chi Minh City, Vietnam
Zip Code: 700000

TNT's technical team members are trained and certified to design, engineer, supply, install, operate, and support our suppression products and fulfill our end-users' suppression needs. TNT's engineering team is qualified to maintain and service Kidde Fire Systems product lines in accordance with the manufacturer's listed documentation, guidance and recommendations.

Kidde Fire Systems Products include:

- Kidde NOVEC 1230™ Fire Suppression Systems
- Kidde FM-200® Fire Suppression Systems
- Kidde CO₂ Fire Suppression Systems
- Kidde Inert Gas Suppression Systems
- Kidde WHDR™ Wet Chemical Fire Suppression for Commercial Cooking
- Kidde Conventional Detection and Control Systems
- Kidde Intelligent Control Systems and SmartOne® Detectors
- Kidde Air Intelligence Sampling Smoke Detection System

All equipment and spare parts supplied are genuine and certified, proved with Certificate of Compliance that will be provided during material delivery.

Kidde Fire Systems will provide our fullest support to TNT in pursuing projects and delivering products from Kidde Fire Systems.

Sincerely Yours,
Kidde Fire Systems
